**Date Loan Granted** : \_\_\_\_\_

**Due Date** : \_\_\_\_\_

**Amount** : \_\_\_\_\_

**Period of Payment** : \_\_\_\_\_ L2 (Two months to pay)

: \_\_\_\_\_ L1 (One month to pay)

In case you wish to renew / extend the term of your loan, you may pay 30% of the principal amount thereof, before its due date. The renewal or extension shall not exceed one (1) month for L2 and fifteen (15) days for L1.

Failure to pay the loan in full prior to its due date shall result in the automatic off-setting of your loan plus interest against your capital contribution.

Kung nais ninyong “i-renew” o “i-extend” ang termino ng inyong *loan*, puwede ninyong bayaran ang 30% ng kabuuang principal ng inyong *loan* bago dumating ang “due date” nito. Ang “renewal” / “extension” ay hindi dapat lumagpas ng isang (1) buwan para sa L2 at labing-limang (15) araw para sa L1.

Kung hindi nabayaran ng buo, o di kaya ay hindi na “i-renew”, o na “i-extend” ang inyong *loan* bago ang “due date”, ito ay magresulta sa otomatikong pagbawas ng nasabing *loan plus interest* sa inyong *capital contribution*.
